Is the Corte Certo license valid for installation on more than one computer, as long as they are connected to a network?

Requisitos e Condições · https://cortecerto.com/en/docs/is-the-corte-certo-license-valid-for-installation-on-more-than-one-computer-as-long-as-they-are-connected-to-a-network/

Do not. Corte Certo is a single-user system and, therefore, each license is only valid for one computer. Also read (under "Initial Questions"): Does Corte Certo work on a network?
